

Student Response Survey Written Response Summary by Question

Course: PS111 B: Intro. to American Government (CRN 10363; enrollment: 19)
Instructor: Benjamin Toll
Semester: Spring 2020

I. Course Organization

1. Course was fairly organized, syllabus was well worded and organized for the whole course, and was tweaked quickly for the change to online classes. Professor Toll was very on top of things for the unforeseen circumstances that caused online classes and quickly and efficiently made the transition.
2. Very well put together.

II. Grading

1. Extremely fair.
2. Fair

III. Instructor Communication

1. Professor Toll stayed on top of communication and made students feel welcome enough to talk to him about anything. He worked hard not only on the course, but allowing students to know speaking to him was a safe zone and had no problem clearing up things if it came to it with the course.
2. Professor Toll was always available to answer any questions students had in class and answered emails very quickly.
3. communicates clearly with what needs to be done in the course
4. Emailed daily
Gave feedback

IV. Instructor Interaction with the Students

1. Amazing!
2. see number 3.
3. Good conversations within class. It wasn't always about just learning, I loved at some points we were able to relax and have a couple laughs.

V. Instructor Interest in Students

1. During this pandemic, Professor Toll was my only professor to constantly reach out to make sure things were well at home. He worked with us and made it known that he understood how complicated it can be. Professor Toll is an amazing professor and he really shows his interest in not only his students but his passion for PS 111. He constantly keeps us entertained with his dad jokes and of course with teaching us.
2. really cared about our opinions on subject matter and made the course enjoyable.
3. Made sure we were always aware what was going on throughout the week.

VI. Major Strengths of the Instructor

1. -He's passionate
-He cares
2. Professor Toll seems extremely interested in the subject which kept me interested. Also

displayed deep knowledge of the subject.

3. Great at explaining how the government actually works and relating what we are learning and have learned to current and historical events

4. Very informative
Gets to the point
Doesn't stall class
Respectful
Funny

VII. Major Weaknesses of the Instructor

1. None

VIII. Aspects of the Course Most Beneficial to You

1. the course made me more curious and interested about the way our political system works, while establishing that base of how things work and came to be the way they are.

2. Helped me better understand how politics work.

IX. Suggestions to Improve the Course or any Other Comments

1. I wholeheartedly regret that I was unable to attend this class for the full duration of the semester due to the recent pandemic, as Professor Toll truly did make that class more interesting and I hate politics.

2. None

Instructor Option Question

No responses.
