Comments for Question 1: Explain your rating.

1. grading was very clear and fair
2. He did a great job
3. Dr. Toll is a great professor and very knowledgeable in what he does. As well, you can tell he he cared about what he does and teaching students even tho it is a gen class. He does go a little fast but overall he is great. His grading is a little confusing tho
4. The course delivery was done in a way to make political science very interesting yet easy to understand. The grading was very clear. Student interaction was very good, always thoroughly answering questions and being honest about the state of politics currently.
5. Everything was clearly stated within the provided syllabus and followed with little deviation.
6. Dr. Toll was able to make a 100 level course interesting and allow me to retain information I found applicable.
7. it was good
8. The InQuisitives really helped for the tests.
9. I learned effectively and the professor presented information as a matter of fact instead of being opinionated. We covered a lot of material and I gained a much better understanding of American government.
10. he was a very good professor and how he is with everyone in his class
11. I think Dr. Toll explained things in a concise and easy to digest format. This was taught at a 100 survey class but he also added in personal experiences and things from his political science major that made for some interesting points that I did not know about prior to the class.
12. I have learned a lot of information I either did not know before or did not know in full detail, especially about specific processes/systems. Can be inconsiderate when grading if an assignment is not submitted right away (more so if absent for some reason). All interactions appeared to be positive, and he was able to communicate effectively.
13. very good class and the professor is amazing
14. This is one of the classes that I have actually really enjoyed.
15. The professor was clear and concise, and was able to properly answer questions that gave confused students clarification.
16. I rated 5 out of 5
17. The instructor delivered the course material clearly and in an organized manner. Grading criteria were transparent,

and feedback was helpful. Student interactions were encouraged, creating a comfortable learning environment. Overall, the course was well-managed and supported my learning effectively.

Comments for Question 2: Explain your rating.

1. the quizzes helped to learn information before the next chapter started
2. I liked only having 10 days of attendance being taken because I learn better on my own
3. Everything was clear, you knew what was expected and when it was gonna be due
4. The organization was done in a way that made sense. The syllabus was very clear. The assignments always helped me truly engage in the material which helped me learn and prepare for exams. The structure made a lot of sense for the materials within the course.
5. Resources were used effectively and the professor made an active effort to get student engagement
6. N/A
7. was fine
8. The course structure was really good for time management skills to develop further, it was kind of difficult, but informative. The in class assignments helped a lot.
9. We had a textbook to read, and short assignments regularly that dealt with the material we were learning.
10. everything was clear on the syllabus and how the rating was, were fair
11. I think it was an easy syllabus to follow and the assignments were right in line with the teaching material.
12. Everything appeared to align with the coursework/structure.
13. the assignments all helped with the exams
14. Everything was easy and good to understand.
15. Massively boosted my knowledge on American Politics and how I understand politics today.
16. 5 out of 5
17. The course was well-organized and the syllabus was clear from the start. Assignments and projects were directly tied to the course objectives and helped reinforce the material. The structure of the course supported learning step-by-step, making complex topics easier to understand.
